

Blue Cross Blue Shield of Vermont - Blue Edge Business

As local businesses face uncertainty this Fall one thing is clear; our employees are the key to continued growth and success. In an effort to support our members, VBRA has partnered with NFP Vermont to help you explore group health insurance options for 2021.

Now more than ever, your health plan choices can
make a big difference.

Learn about BCBSVT's Blue Edge BusinessSM plans — available to Vermont businesses with at least five enrolled employees.

NFP Vermont has collaborated with Blue Cross Blue Shield of Vermont to create [Blue Edge Business](#), a group health insurance program with potentially significant savings on premiums, and a chance to receive further refunded premium at the end of the plan year (if a company's claims are lower than expected).

This program is run through Blue Cross Blue Shield of Vermont (on the BCBS national network) and there are 4 plans available to choose from. This is a great option for Vermont businesses with 5 enrolled employees looking to save on health insurance costs while supporting a healthy lifestyle for their employees.
